**RE: *Merck & Co., Inc., et al. v. Merck KGaA*,

This firm, along with Sidley Austin LLP, represents Plaintiffs Merck & Co., Inc. and Merck Sharp & Dohme Corp. ("Plaintiffs") in the above-referenced matter. We submit this letter jointly with Blank Rome LLP and Debevoise & Plimpton LLP, counsel for Defendant Merck KGaA, Darmstadt, Germany ("Defendant").

The parties submit this joint letter to request an eight-week extension of the current discovery schedule. The parties have been working diligently to narrow and resolve their discovery disputes and have made significant progress. However, unresolved disputes remain and are the subject of ongoing meet-and-confer discussions. Postponing the current February 15 deadline for raising fact discovery disputes is likely to reduce the need for judicial resolution of those issues.

The parties also seek an eight-week postponement of the current April 1 deadline for the completion of fact discovery. The production of documents is not yet complete, and the parties will need additional time to complete the depositions of fact witnesses.

For these reasons, the parties jointly request that the Court order the below discovery schedule. For the Court's reference, the parties' have listed the Court-ordered deadlines currently in place, as set forth in the Court's orders on September 12 (Dckt No. 80) and December 18 (Dckt No. 86).
